

Local Food Tasting – Friday March 25th, 2011 In conjunction with the 2-day Farm to Table Conference

David L. Lawrence Convention Center Pittsburgh, PA 15222

Please join us on Friday March 25th from 5:00PM to 8:00PM

Farm to Table Pittsburgh takes place Friday & Saturday, March 25-26 from 10am to 5pm. The conference is a two day immersion into Pittsburgh's local food scene. Presenters will talk or demonstrate the best way they know about how to access and support local farmers, restaurants, markets and food producers. The mission of the conference is to educate consumers about "the why and the how" to buy local food and beverages all year round.

The Friday Night Food Tasting is a way for the consumer to experience first-hand the quality and diversity of locally grown and supported agriculture, meat, wine, etc.

We are currently looking for local producers of food, wine and beer who would like to participate in the Food Tasting on Friday, March 25th after the exhibit hall closes. The tasting will be held near the Conference site in the David L. Lawrence Convention Center from 5:00pm to 8:00pm. Participants in the food tasting do not have to exhibit at the Conference.

This is a great event to get to meet local Pittsburghers who value their food and are excited to learn how to access local food and beverage. The atmosphere is relaxing where a jazz trio entertains and local food conversation abounds.

This year, we will be putting together an event program for the Tasting that will hold recipes from our vendors. Along with your form below, please include your favorite recipes that feature local foods so we can include them in the program.

There is no cost to exhibit at this tasting event! Please review the following form and return to the email/fax/address below to confirm your participation.

Thank you! We look forward to another successful local food program.
