

Farm to Table is offered in conjunction with our wellness program, Pathways to SmartCare.

The goal of this program is to provide opportunities for healthy eating, which includes providing access to local food producers.

CORPORATE FRUIT BOWL PROGRAM

Get fresh and seasonal fruit delivered right to your office all year long. Our fruit bowl program provides nutritional fruit that can be displayed and served in your reception area, break rooms and conference rooms.

CHOOSE FROM 4 OPTIONS:

50 PIECE BOWL

75 PIECE BOWL

100 PIECE BOWL

150 PIECE BOWL

WHAT'S INCLUDED?

Each bowl includes a variety of hand sorted fruit to ensure top quality for every delivery. Oranges, apples and bananas as well as local seasonal fruit will be provided when available such as peaches, pears and nectarines. Fruit that is not available locally is sourced from farms in the USA. The exception to this is bananas because they are a tropical fruit.
