**CALL FOR SPEAKERS INFORMATION FORM AND AGREEMENT**

**Mother Earth News Fair**

Seven Springs, PA

We're excited to announce that we will sponsor a Farm to Table Vendor Tent & Speaker Stage at this year's Mother Earth News Fair at Seven Springs Mountain Resort!

The Mother Earth News Fair is your passport to money-saving hacks, health-boosting remedies, and environmental strategies from leading experts and entrepreneurs around the country. In addition to presentations and hands-on workshops, you'll encounter a vast marketplace abounding with innovative resources and products to enrich your life. It's also an ideal destination to meet and network with like-minded enthusiasts from across an array of fields — from natural health and beauty to homesteading for profit and beyond. Admission for children is free, and there are plenty of youth-oriented activities – including live animals!

With a growing emphasis on interactive programming, you can learn new skillsets live and on-site. More than ever before, the Mother Earth News Fair is truly an immersive experience where the magazine comes to life.

The Farm to Table Stage will include activities, demonstrations and talks to promote the local farms & food/beverage producers of Western PA. We are looking for presentations that include healthy, local, fresh, real food and resources to obtain, deliver, preserve and cook real food. Speakers should demonstrate the connection between health and nutrition as well as offer consumers "the why and the how" to buy local farm products and locally produced foods. Please complete the form below to submit a presentation, workshop or demonstration for our stage at the Mother Earth News Fair.
