CALL FOR SPEAKERS INFORMATION FORM AND AGREEMENT
14th Annual Farm to Table Conference
 Pittsburgh, PA

The 2020 Farm to Table Local Food Conference will once again be part of the Pittsburgh Home & Garden Show! The conference provides consumers with 10 days of networking and educational opportunities. Hands-on cooking demonstrations, gardening and information about nutrition and health are available. The conference provides consumers with ideas and information about where their food comes from and where to find businesses and organizations who can provide them with healthy food and healthy lifestyle choices.

This year’s theme is “Buy Fresh Buy Local.” Activities, demonstrations and talks will support this theme. We are looking for presentations that include healthy, local, fresh, real food and resources to obtain, deliver, preserve and cook real food. Speakers should demonstrate the connection between health and nutrition as well as offer consumers “the why and the how” to buy local farm products and locally produced foods.
