

Hydroponics & Aquaponics Workshop Series for Veterans

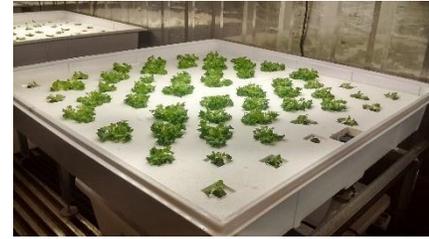

A FREE workshop series for veterans & military members through The Farm, Mission Homestead, and Chatham University. This will be a hands-on 10 session series taught by The Farm staff and Chatham University's Aquaculture Professor, Dr. Roy Weitzell. The program will include:

- **Tours of Trinity High School & Chatham University's state of the art hydroponics & aquaponics systems**
- **Hands-on experience with The Farm's hydroponics systems**
- **A workshop binder & lesson materials to keep**
- **1 Free Food-grade IBC Tank Upon Program completion for use in your own hydroponics/aquaponics system**
- **Program completion certificate**

The 10 workshops will take place 6pm-8pm every Monday from March 2nd-May 4th, 2020. Most workshops will take place at The Farm (909 National Pike West, Brownsville, PA 15417), with two workshops/farm tours taking place at Trinity High School and Chatham University's Eden Hall Campus.
