

## This is NOT Your Normal CSA....

Who else does a CSA in the Winter?? No one! How can we pull this off? Our connections with farmers and producers across the region allow us to bring you the absolute best items available, even in the winter. When you're looking for quality and creative --- but you still want LOCAL --- you come to us. Our Winter CSA is no exception. **Think HelloFresh meets CSA!**

### What you need to know:

- Our 17-week 'Winter CSA' runs from late January through mid-May.
- Winter CSA subscription = \$595 (\$35/week). Payment due in full by **January 21, 2022**. Subscriptions may be purchased on our Virtual Farm Stand ([www.themarketplace.farm](http://www.themarketplace.farm)), in store or by calling 855-67-GOTCOWS.
- **THREE PICKUP LOCATIONS:** Boxes can be picked up at The Marketplace at Emerald Valley (Washington), Pleasant Lane Farm Creamery (Latrobe) or Eden's Market (Mt. Lebanon). Choose your preferred pickup location at checkout. Boxes will be ready for pickup on Wednesday each week.
- Your subscription has TRUE ECONOMIC IMPACT. It supports all the small businesses we buy from. This is a community collaboration!

This is '**not your normal CSA**' because we are farmers representing farmers, buying from over 60 different local farms and producers throughout the year. We search the region for the best quality fresh products, then bring them all together in one location. We want to put a face on local food and get it from the farms to YOUR table, so we take the work out of shopping local!

### Winter CSA Boxes will include:

- ✓ Fresh, locally-grown greens
- ✓ Seasonal fruit
- ✓ Seasonal vegetables
- ✓ Local items from our pantry...who doesn't love surprises?? But keep calm. We will not send you something you don't want or know how to use! These are "perfectly paired" local items that compliment your box contents.
- ✓ Recipes! Subscribers can access the 'Members Only' page on our website where they will find recipe suggestions for using the contents of the CSA boxes.

Your subscription helps local farmers sustain their businesses and brings amazing fresh local food into your kitchen each week. We call that a Win, Win! Join our CSA and choose to LIVE LOCAL in 2022!
