16th Annual Farm to Table

**INFORMATION FORM AND
Expo**

March 3-March 12, 2023

The 2023 Farm to Table Buy Local Expo will once again be part of the Pittsburgh Home & Garden Show! The expo provides consumers with 10 days of networking and educational opportunities. Our Expo will provide consumers with 10 days of exposure to local farms, food producers, wineries, distilleries, meaderies and breweries as well as networking and educational opportunities. Educational opportunities will include Cooking Demonstrations, Gardening Classes with Local Gardening Guru, Doug Oster, Information about Specialty Crops, Agritourism, CSAs, Farmers' Markets and More! The expo will provide consumers with ideas and information about where their food comes from and where to find businesses and organizations who can provide them with healthy food and healthy lifestyle choices. Exhibitors can sample & sell their products. Historically, the Home and Garden Show attracts over 300,000 over the course of 10 days.

We are looking for presentations that include healthy, local, fresh, real food and resources to obtain, deliver, preserve and cook real food. Speakers should demonstrate the connection between health and nutrition as well as offer consumers "the why and the how" to buy local farm products and locally produced foods.
