The Farm to Table Buy Local Expo will once again be joining the Fall Pittsburgh Home & Garden Show! The Fall Buy Local expo provides consumers with 3 days of networking and educational opportunities. Our Expo will provide consumers with 3 days of exposure to local farms, food producers, wineries, distilleries, meaderies and breweries as well as networking and educational opportunities. Educational opportunities will include Cooking Demonstrations, Gardening Classes with Local Gardening Guru, Doug Oster, Information about Specialty Crops, Agritourism, CSAs, Farmers' Markets and More! The expo will provide consumers with ideas and information about where their food comes from and where to find businesses and organizations who can provide them with healthy food and healthy lifestyle choices. Exhibitors can sample & sell their products.

We are looking for presentations that include healthy, local, fresh, real food and resources to obtain, deliver, preserve and cook real food.
